Performance and Facilitation roles

Performing:
1993 – 2010

I undertook a broad range of performance mainly in avant garde experimental theatre both in London and Ireland.

Facilitation:
1996 – 2013

I had an extensive variety of groups on my books from youth theatre, youth at risk, disability groups, Fetac accreditation, therapeutic theatre and consultation work.

For further information and references on my Venue management, acting career and facilitation career please request by email.
